Jun 25	Jeanne	-----

Please note:

RECYCLING:

If the recycling bin is getting full, please bring it to one of the recycling drop offs.

Recyclable items are: aluminum, tin, #1 or #2 plastics. We appreciate everyone's help in this effort.

PLASTIC:

St. Bart's 'Green Team' has asked that we avoid using plastic spoons, plates, or glasses/cups.

Using china is great. And paper products are fine too. *Thanks!*

St. Bart's furnishes napkins, plates, sugar, cream, and coffee.

Please furnish a beverage other than coffee for the kids.

Be sure to call your partner the week before you serve to touch base.

If you have a problem with serving, try to switch with someone on the list.

MILLY OLAFSON WILL SUB, IF AVAILABLE.

Thank you for your hospitality ministry!!
